# 2025 NATIONAL ABORIGINAL BUSINESS OPPORTUNITIES CONFERENCE (NABOC) - VANCOUVER, BC

Since 2007 we've been growing our delegate, sponsor and exhibitor following, and year-on-year all of our events sell out quickly and continue to provide the best Aboriginal/private sector business networking opportunities in Canada.

For NABOC Vancouver 2025, we've added a great new partnership with the GOVERNMENT BUYERS EXPO, which is a tradeshow format that will give our delegates the opportunity to meet with Senior Buyers from numerous federal government departments. There will be hundreds of fantastic government procurement opportunities on offer during the EXPO!

Our events consistently attract "Key Decision Makers" from Aboriginal Communities in both Canada and the USA, as well as private sector delegates from Canada, the USA, Asia, South America and Europe. Our events are dependable and sustainable as we have a very large following due to years of consistent delivery of quality events; and because we have never accepted government funding to support our events, which insulates us from the uncertainty of government support from year-to-year.

Every event we have ever created has been successful and sold out. As always sponsorship and exhibitor opportunities for our events sell out very quickly and we work on a first-come-first-served basis so please do not delay in making a decision if you wish to become a sponsor and/or exhibitor.

We are now in year 17 of the National Aboriginal Business Opportunities Conference (NABOC) Series which attracts First Nations and industry business groups from all across Canada who are interested in partnership, supplier and joint venture opportunities, as well as those First Nations who are seeking to finance equity purchases of major infrastructure and resource projects such as pipelines, terminals, mines and bridges.

We greatly appreciate the support of all of our delegates, sponsors and exhibitors and look forward to seeing many returning supporters in 2025. If you have any questions on being an exhibitor, please contact me directly.

Yours Truly,
