# NATIONAL ABORIGINAL BUSINESS OPPORTUNITIES CONFERENCE (NABOC) OSOYOOS 2025 & the Indigenous Exploration & Mining Summit.

Since 2008 we've been growing our delegate, sponsor and exhibitor following, and year-on-year all of our events sell out quickly and continue to provide the best Aboriginal/private sector business networking opportunities in Canada.

Our events consistently attract "Key Decision Makers" from Aboriginal Communities, as well as executives from international, national and regional companies.

New for 2025, running alongside NABOC Osoyoos, is the addition of the 'Indigenous Exploration and Mining Summit' which will allow for dialogue between mining industry executives and Indigenous business and community leaders.

Our events are dependable and sustainable as we have a very large following due to 18 years of delivering high quality events, and because we have never accepted government funding to support our events, which insulates us from the uncertainty of government funding from year-to-year.

Every event we have ever created has been successful and sold out. As always sponsorship opportunities for our annual NABOC Osoyoos event sell out very quickly, and we work on a first-come-first-served basis, so please do not delay in making a decision if you wish to become a sponsor.

We greatly appreciate the support of all of our delegates, sponsors and exhibitors and look forward to another sellout event on the 18th anniversary of NABOC Osoyoos. The following pages outline the various sponsorships available for NABOC Osoyoos 2025, and we are always willing to customize sponsorship packages to best suit our clients' needs.
