NATIONAL ABORIGINAL BUSINESS OPPORTUNITIES CONFERENCE (NABOC) - VANCOUVER, BC

'Innovation, Technology and Partnerships Conference'

Since 2007 we've been growing our delegate, sponsor and exhibitor following, and year-on-year all of our events sell out quickly and continue to provide the best 'Indigenous-meets-Industry' business networking opportunities in Canada.

Over 15,000 delegates and 1,900 exhibitors have attended our conferences to date and greatly benefited from the connections they've made at NABOC events.

For NABOC Vancouver 2026, our theme is 'Innovation, Technology and Partnerships' and our agenda will reflect these offerings. We're also pleased to welcome back the GOVERNMENT BUYERS EXPO, which is a tradeshow format that will give our delegates the opportunity to meet with Senior Buyers from numerous federal government departments. There will be hundreds of fantastic government procurement opportunities on offer during the EXPO!

Our events consistently attract "Key Decision Makers" from Indigenous Communities as well as industry delegates from Canada, the USA, Asia, South America and Europe. Our events are dependable and sustainable as we have a very large following due to years of consistent delivery of quality events; and because we have never depended on government funding to prop up our events, which insulates us from the uncertainty of government support from year-to-year.

Every event we have ever created has been successful and sold out. As always sponsorship and exhibitor opportunities for our events sell out very quickly and we work on a first-come-first-served basis, so please do not delay in deciding if you wish to become a sponsor and/or exhibitor.

We are now in year 19 of the National Aboriginal Business Opportunities Conference (NABOC) Series which attracts First Nations and industry groups to gather and discuss partnership, supplier and joint venture opportunities, as well as those First Nations who are seeking to finance equity purchases of major infrastructure and resource projects such as pipelines, terminals, airports, mines, renewable energy projects and bridges.

We greatly appreciate the support of all our delegates, sponsors and exhibitors and look forward to seeing many returning supporters in 2026. If you have any questions on being a sponsor at any of our 2026 events or workshops, please contact me directly.

Yours Truly,

GEOFF GREENWELL, CEO

CUSTOMIZED SPONSORSHIP AND PARTNERSHIP OPPORTUNITIES

We are always willing to customize sponsorship packages to better suit our clients, feel free to ask or suggest alternate packages. We also have "Official Partnership" categories available at our events such as Legal, Business Advisory, Sustainability etc. Please feel free to suggest a partnership category that suits your needs better than a traditional sponsorship.
